NLMC is hereinafter referred to as "NLMC", (which expression shall, unless repugnant to the context or the meaning thereof, include its successors-in-interest, permitted assigns or anyone claiming through or under it); provided, however, that NLMC's role under this RFP and in relation to the Transaction and the Auction Process is strictly limited to facilitation, coordination and advisory support, and NLMC shall not be construed as the seller, transferor, auctioneer, bidder's counterparty, or as assuming any independent obligation or liability in respect of the assets, the Transaction, the Auction Process or any decision taken by RINL, except to the extent expressly set out in this RFP.

RailTel shall provide and manage the electronic auction platform and related auction facilitation services strictly in accordance with this RFP and the instructions of RINL and, where applicable, in coordination with NLMC. RailTel acts only in such limited capacity and will have no authority to amend this RFP, bind RINL or NLMC, make any representation or warranty on behalf of RINL or NLMC, grant any waiver, accept any bid on behalf of RINL except as expressly authorized in writing, or create any obligation, liability or commitment for RINL or NLMC.
- 1.4. **Quikr India Pvt Ltd (QIPL)**, a private company incorporated in 2005 and having its head office in Bengaluru, Karnataka, has been engaged solely for the limited purpose of assisting

QIPL acts only as a facilitator in accordance with this RFP and will have no authority to bind RINL or NLMC or RailTel, make any representation or warranty on their behalf, grant any waiver, or create any obligation for RINL or NLMC or RailTel.

- 1.5. RINL presently owns non-contiguous Plots/Land parcels at HB Colony-Maddilapalem and Auto Nagar-Gajuwaka in Visakhapatnam, Andhra Pradesh. RINL may, at any time and in its sole discretion, without assigning any reason and without incurring any liability, add to, withdraw, exclude, include, reconfigure, re-measure, sub-divide, amalgamate, re-number, re-package or otherwise modify any plot, land parcel or part of the Said Property, and no bidder will have any right, claim or entitlement arising from such action. Further, the relevant sale deed(s) will be executed plot-wise and/or land parcel-wise, as applicable, only with the Successful Bidder(s) and only after receipt by RINL of the entire sale consideration and all applicable taxes, duties, levies, stamp duty, registration charges and other amounts payable, and subject to fulfillment of all conditions of this RFP and the definitive transaction documents to the satisfaction of RINL. For the avoidance of doubt, no participation in the Auction Process, submission of a bid, payment of any earnest money deposit, issuance of any provisional communication, or emergence as the highest bidder in respect of any plot and/or land parcel will create any right, title, interest, expectation or claim in favour of any bidder unless and until the relevant definitive sale deed is duly executed and registered by RINL.

- 1.6. The "Said Property" entails a total area available for monetization at the subject site in the form of 459 plots/land parcels, which will be handed over to the Successful Bidder (s) on an "as is where is, as is what is, whatever there is, and without recourse" basis ; provided that such area is subject to final measurement, demarcation, site conditions, applicable law and the terms of the definitive transaction documents, and neither RINL, nor NLMC, nor RailTel, nor QIPL makes any representation or warranty, express or implied, as to area, title, boundary, access, utility connectivity, physical condition, permitted use, development potential, fitness for purpose or suitability of the Said Property, except as may be expressly set out in the definitive transaction documents executed by RINL.

- 1.7. **The Transaction** - RINL is desirous of selling and transferring to the Successful Bidder (s), the Said Property, on an “as is where is, as is what is, whatever there is, and without recourse” basis (Transaction), subject at all times to applicable law, receipt of the full sale consideration and all other amounts due, fulfillment of all terms and conditions of this RFP, and execution and registration of the definitive transaction documents in form and substance satisfactory to RINL. Nothing contained in this RFP, the Auction Process, any bid, any correspondence, or any communication issued by RINL, NLMC or RailTel or QIPL, will be deemed to create any binding obligation on RINL or NLMC to complete the Transaction unless and until the relevant definitive sale deed is duly executed and registered by RINL and the Successful Bidder(s). Nothing contained in this RFP or the Auction Process will be construed as creating any obligation on RailTel or QIPL to complete the Transaction or any privity of contract between any bidder and NLMC, RailTel or QIPL in relation to the sale and transfer of the Said Property. In order to give effect to the Transaction, RINL is keen on identifying the Successful Bidder (s) through an agreed mechanism, i.e., through outright sale of the Said Property from RINL to such Successful Bidder (s), by Auction Process (“Auction Process”), to be conducted in such manner as indicated further in this RFP document (Document) , including through the electronic auction platform of RailTel, as the same may be amended, supplemented, clarified, postponed, suspended, withdrawn, cancelled or restructured by RINL, in whole or in part, at any time and in its sole discretion, without assigning any reason and without incurring any liability whatsoever to any person. RINL will at all times retain sole and exclusive authority in relation to the Transaction and the Auction Process, including the right to determine bidder eligibility, reserve price, bid increments, bidding methodology, timelines, qualification criteria, the identification of the Successful Bidder(s), and whether or not to proceed with, defer or terminate the Transaction, and no bidder will be entitled to challenge or question the exercise of such rights except in accordance with applicable law.

Neither NLMC nor RailTel nor QIPL will be deemed to owe any duty of care or assume any liability to any bidder in connection with the Auction Process, and no act, omission, statement or communication of NLMC, RailTel or QIPL, will bind RINL or NLMC unless expressly approved in writing by RINL. Any online display, bid status, system-generated message, auto-acknowledgment, technical validation, provisional ranking, bid confirmation or other electronic communication on or through the RailTel platform will be purely informational and provisional in nature and will not amount to acceptance of any bid or

confer any right on any bidder unless specifically confirmed in writing by RINL.
